

Certificate

of Official Recognition of Efficacy Testing Organisations in the Netherlands
This certifies that, in conformity with the request of 1 October 2025

Delft Research Group B.V.

Residing: Distributieweg 1, Delfgauw, the Netherlands

has officially been recognised as an organisation for efficacy testing in the Netherlands.

As has been laid down in the 'Regeling gewasbeschermingsmiddelen en biociden' (Regulation Crop Protection Products and Biocides) of September 26, 2007 (Staatscourant 2007, 386).

This recognition commences on: December 1, 2025
and expires on: December 1, 2031

The above organisation is competent to carry out efficacy trials/tests in the categories mentioned in the annex of this certificate.

Utrecht, January 21, 2026

For the Minister of Agriculture, Fisheries, Food Security and Nature,

ing. I. van Vugt
Divisiehoofd Regie & Expertise

Annex

ORGANISATION is officially recognised as being competent to carry out efficacy trials/tests in the following categories:

- Protected vegetable – and herb crops
- Protected ornamental crops

This applies only to efficacy trials/tests with microbiological agents performed at the trial location of Delft Research Group residing at Distributieweg 1, 2645 EG Delfgauw. The application method for the microbiological agents shall only be by manual rubbing, dipping, dripping, or pouring.

This annex has been approved by ing. I. van Vugt
Divisiehoofd Regie & Expertise
